We aim to dispatch all orders placed Monday-Friday within one day, with the exception of personalised items.

Due to increasing stock demand in the UK, we currently only ship to the UK.

Standard postage via 2nd class Royal Mail.

Prices from £1.95 for small products to £4.95 or larger items or larger orders.

If your order is urgent and require a faster delivery for an extra charge, please email so this can be arranged.

Personalised items will have a different delivery schedule as detailed on the product page at the time of ordering and outlined in your order confirmation email. Please get in touch via pinkpeonyoffice@googlemail.com if you have any queries.
